The Average Father is Afraid His Daughter Will Not Marry The Right Man

and the average mother is afraid her daughter will not "catch on" at all. But just give the girl a little time and when she sees how economically we can furnish that indispensable part of all well ordered homes,

THE KITCHEN,

Including one of our justly celebrated

BUCK'S STOVES

she will "have ideas of her own." She will come to the conclusion that they can well afford a home of their own even if her future husband doesn't have much money, because BUCK'S is so economical as to make a little money go a long way. We are Beaumont agents for Buck's Stoves and Ranges.

DEWEY WOULD ACCEPT PRESIDENCY.

Special to The Daily Enterprise.

New York, April 4.—The New York World prints a signed interview with Admiral Dewey in which he says he is willing to run for the presidency if the people wish it. He says, "It is the highest honor within the gift of the nation, and if the people want me, I shall be only too willing to serve them."

NO ACTION WILL BE TAKEN.

Special to The Daily Enterprise.

Washington April 4.—Among members of the senate finance committee there is not much probability of any action being taken at the present session looking to a reduction of taxation. It is not because it should not be done but because it would raise an interminable debate and prevent an early adjournment, which it is proposed to effect, if possible.

MUST ANNEX THE REPUBLICS.

Special to The Daily Enterprise.

Cape Town, April 4.—There was a great and enthusiastic meeting of the English residents today, at which resolutions were adopted reaffirming the opinion of the loyalists that the annexation of the Boer republics is the only solution of the South African trouble. After the meeting the crowd met Schriever of the Dutch Cape Colony returning from luncheon and mobbed him. Schriever took refuge in the parliament house, where the police protected him. A number of arrests were made. Protected by the police, afterward, Schriever addressed the crowd. He protested against what he called an unjust attack and told the people they had not been informed of the actual facts. He declared the results would show him as loyal as anybody in the crowd, and perhaps more so. He advised the singing of the national anthem, joining in himself.

DEWEY A DEMOCRAT.

Special to The Daily Enterprise.

New York, April 4.—The Journal says: "Recently Admiral Dewey visited a well known business man of New York. The latter proposed going to a club and said: 'I am a member of two; one is democratic, the other is non-partisan. Which do you prefer?' Dewey replied: 'As I am a democrat, we might as well go to the club which is democratic.' Accordingly they took luncheon at the Manhattan club."

ATTEMPTED ASSASSINATION.

The Prince of Wales Shot at Twice in Belgium.

Special to The Daily Enterprise.

Brussels, April 4.—The Prince of Wales was shot at while leaving the railroad station here. He was not hurt. It is supposed that the attempt on the prince's life was the result of the anti-British feeling prevalent on the continent, owing to the Boer war. Two shots were fired. The prince and princess started today to Copenhagen to attend King Christian's birthday. The shot was fired by a man as the train was leaving the northern railroad station for the southern station.
